In the interest of safety and security Upper Moutere School requires parent permission for the publishing of student's names or photographs on our website, class blogs and in our newsletters.

We believe it is important to celebrate children's achievements, but are aware of the potential risks when such personal information or material is published on a global information system such as the Internet.

We will share, if given permission, no more than a student's first name and class if we are also publishing their photograph via the newsletter, or the wider online community via the school website or class blogs.

Please indicate your wishes by ticking the relevant box.
